

OPEN CALL : Winter Group Exhibition "HOME"

The Green Door Gallery is an independent art gallery in the European Quarter of Brussels. It was inaugurated by Her Excellency Helena Nolan, the Ambassador of Ireland to Belgium in March 2019. Since then the gallery has established itself as a hub of creativity, hospitality and artistic expression.

Artists who have exhibited come from a variety of backgrounds and experience. There are those who have exhibited widely in Belgium and internationally, as well as early-career artists. What unites Green Door Gallery artists is their authenticity, and their commitment to creating beautiful art.

With this open call we hope firstly to curate a beautiful exhibition to include in our programme of events for 2023. We also hope to meet artists with a view to possible future collaboration.
